Dear Francois,

I would like to personally commend you on your efforts in creating the *Exhibition on Kashmir*. "A Glimpse of a Tragedy Without an End." From the FACT power point presentation you provided, I know it will be a very informative exhibit. As past Co-Chair of the Congressional Caucus on India and Indian Americans, I am well aware of the situation in Kashmir. As I have previously stated on the House Floor, India and the United States are fighting a common enemy in the Global War on Terrorism. The ideology of the terrorists who attacked America on September 11, 2001 is the same as those killing innocent civilians in Kashmir. Together as allies, our two nations must continue fighting this scourge which afflicts all free nations.

I am honored that you have selected Washington, D.C. as the first stop on your tour, and I look forward to working with you in the future

It is an honor to represent the people of the Second Congressional District of South Carolina and I value your input. If I may be of assistance to you, please do not hesitate to contact me.

Very truly yours,

JOE WILSON
Member of Congress
